

Ancient of Days

The hand of God is stretched out over my life,
Much deliverance He gave me,
The wonders of God, our King,
He is full of infinite mercies,
The Word of the Lord endures forever,
From God they all came,
They breathe the pure Spirit of His goodness,
Carry the stamp of His authority and you shall stand forever,
Heaven is our eternal home, O blessed be the Lord,
There is only One Living and True God,
He creates beings with immortality but He alone possesses eternity,
His omnipotence is only limited by His moral perfections,
Proved by all Your creation from the infinitely great to the infinitely small,
We can tell You nothing which You do not already know,
Because You are independent of all Your creatures embracing all knowledge,
Your perfect goodness is seen in the benevolence,
Which embrace me and provides for my welfare,
Your merciful dealing with me declares Your goodness,
O Lord, You permit sin to exist for Your own reasons unknown to us,
Justice and righteousness are divine perfections,
To know God as He has revealed Himself to man,
Is truth of the highest order,
The Eternal God has revealed Himself to me,

As Father, Son and the Holy Spirit,
Worship the God of the Hebrews,
He alone is God,
Jesus is the Word of God from eternity to eternity,
He is confessed by all to be God and equal to the Father,
All the hosts of heaven worship Him,
He was God manifest in the flesh,
He foreordained all men who would accept His plan,
That they would be saved,
Everyone in harmony with His power and liberty of choice,
Who shall choose eternal life through God's plan,
Was foreordained to eternal salvation,
O blessed eternal life,
O throne of God I am simply lost in the glory,
I never knew how to worship God before,
Our love and zeal is so cold in the earth,
Our worship so formal and lifeless,
Every head bow before Him who is our all in all,
Alleluia the Lord Omnipotent reigns,
The living saints who have never died will never die,
Death shall have no dominion over them,
But from thenceforth is destroyed forever,
Alleluia! Alleluia! Alleluia! Blessed be the rapture,
How the blessed book of God tells us these things,

What comfort as well as sorrow,
The saints to know the great things which are yet before us,
Jesus is our Lord,
Who was conceived by the Eternal Spirit,
And born of the Virgin Mary,
I know Him as the Ancient of Days,
Whose garment is white as snow,
And the hair of His head like pure wool,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Chosen Vessel

Man has been created in the likeness and,
Image of the true God,
In his creation he is made lower than the angels,
In his redemption and glorification he is their equal,
And in some respects their superior,
The Prince is complete only in us,
Which is His fullness and very precious to Him,
O how vast and great is Your Kingdom,
Eternity is too short to show it all,

Be assured that your enlarging cup of enjoyment,
Will always be full to the brim,
O how massive and great is our inheritance,
O Daniel, greatly beloved,
There is no end to the provisions God has made for us,
The resources of heaven are inexhaustible,
You can never take it all in,
Are you repaid for your faith and service for your Lord?
O what did I ever do to deserve this,
It is the grace of God, God is love,
We are nothing; we do nothing but cling to Jesus,
He is our all in all,
Exalt and glorify our blessed Redeemer,
The Lord God and the Lamb are our Eternal Light,
The blessings of the Eternal God are yours forever,
A reflection of the glory of God,
Shines out of the throne and through all His works,
Lord, I will worship You,
The way You like not the way I like,
O Gabriel, messenger of the blessed God,
You led the band which announced the birth of our Savior,
Chief angel of heaven, O archangel,
Who guarded the sepulcher of His death,
Rolled back the stone at His resurrection,

Stand before the face of the Lord into eternity,
O saint, You blessed of God,
You are a chosen vessel, selected for a special errand,
By the Lord Himself,
Everything is before you,
Almost nothing behind in comparison to what is yet beyond,
O favored saint of God,
The unfolding of His intention towards you,
Will be made known in due time,
O my cup of blessing seems full and will contain no more,
My cup runneth over,
What a place to spend leisure hours of eternity,
In rest and recreation,
Surely this is heaven,
Eternity is yet before you and it alone,
Will suffice to satisfy your inquisitive soul,
O glorious body,
O redemption of the purchased possession,
Mighty change from death to immortality,
O heaven never far away,
May your gates be opened for me,
May the angel's chariot hasten to my humble cot,
I praise the Lord at all times,
I continuously speak His praises,

Let us tell of the Lord's greatness,
Let us exalt His name together,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Come and See

Behold the glory,
How glorious are the gates of heaven,
Heaven is a perfect place because our Savior is perfect,
Our eternal home is perfect,
Nothing will ever mar any part of that heavenly abode,
Heaven is beyond the reach of sin and sinners,
Rejoice O heavens and you who dwell in them,
Combined brilliance of the light of the Son of God,
Reflecting on walls of jasper and mansions unnumbered,
The beautiful river of life creates a scene,
No artist could ever adequately depict,
All glory to God; I'm a child of the King,
O my heart praise the majesty of God,
Jesus is the master builder,
He determines who deserves the diamonds and where they go,

Come and see the glory of Your God,
Heaven is the land of dreams come true,
O God how beautiful the Book of Life,
Decorated with precious stones by Messiah Himself,
You have put my new name in it for all eternity,
From golden bowls into bottles tears are poured,
Of saints on earth as they cry to God,
The most perfect prayers are bathed in tears,
That come from the heart and soul,
Come and see the glory of Your God,
How beautiful it is to understand,
The glory and wonders of our God,
How marvelous it is to be,
The recipients of His compassion,
Our tears and sorrows will be replace with eternal joy,
Yet there is much more,
Come and see the glory of Your God,
The joy of heaven is the presence of Jesus,
The harmony of heaven is the praise of Jesus,
The theme of heaven is the work of Jesus,
The employment of heaven is the service of Jesus,
The light of heaven is the face of Jesus,
The fullness of heaven is Jesus Himself,
Come and see the glory of Your God,

God's throne is high and lifted up,
River of Life flows in its beauty and purity,
Glory of God overshadows the throne,
Glorious hues of the rainbow mixed with light,
Producing dazzlingly intense colors,
Arcs above and around the throne in appearance like an emerald,
How wonderful it is to behold the purity of His majesty,
Come and see the glory of Your God,
Heaven is perfect purity; God wants to purify His saints,
Heaven is fullness of joy; God wants to give us joy,
Heaven is complete security; God wants His people to feel confident,
Heaven is fruitfulness and fulfillment; God desires His people to be contented,
Heaven is everlasting freedom; God longs for His people to have deliverance,
Heaven is perfect wholeness; God wants to heal His people,
Heaven is full of riches; God desires His people to be satisfied,
Come and see the glory of Your God,
Alleluia Glory to God, Thank You Jesus,
Seek the Lord while He may be found,
Call upon Him while He is near,
O nothing but the blood of Jesus can make me whole today,
I have been redeemed by the blood of Jesus,
Come and see the glory of Your God,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,

And the Lord shall be King over all,

In that day shall the Lord be one,

And His name One.

Mighty God

In eternity time is suspended,

O God how beautiful You are,

You prepared all things for us,

To God be the glory,

How beautiful You are; how wonderful You are,

How glorious to see the power of the Almighty God,

Here I am Lord; use me for Your glory,

I care greatly about all children,

I know about the babies that are murdered,

The aborted lives that are cut off and unwanted,

While still in their mother's bodies,

I know about the stillborn and children born with crippling defects,

From the time of conception; each is a soul,

My children are brought to Me when they die,

In heaven they are loved and become perfected beings,

In heaven I give them whole bodies and restore the missing parts,

God sent a terrible heat in the lands of Egypt,

Egyptians went to bathe in the river,

On account of the consuming heat which burned their skin,

Bathiah; pharaoh's daughter, went as well as all the women,
She lifted her eyes and saw the ark upon the waters,
She sent her maid to fetch it,
Opened it and behold the baby wept,
She had compassion on him and said:
This is one of the Hebrew children,
All women desired to give him suck but he would not,
The Lord was to restore him to his mother's breast,
His sister said: Shall I go fetch a nurse of the Hebrew women,
That she may nurse the child for you?
Miriam called the child's mother,
Bathiah said to Jochebed: Suckle this child for me and,
I will pay you two bits of silver daily,
At the end of two years, she brought the child to Bathiah,
He was unto her as a son,
She called his name Moses because,
I drew him out of the water,
Amram his father called him Chabar because,
For him I associated with my wife,
Jochebed his mother called him Jekuthiel because,
I have hoped him to the Almighty and he restored him unto me,
Miriam his sister called him Jered because,
I descended after him to know what his end would be,
Aaron his brother called his name Abi Zanuch because,

My father left my mother and returned to her on his account,
Kohath his grandfather called his name Abigdor because,
On his account did God repair the breach of the house of Jacob,
They can no longer throw our male children into the water,
The nurse called his name Abi Sacho because,
In his tabernacle he was hidden for three months,
On account of the children of Ham,
All Israel called his name Shemaiah; son of Nethanel because,
In his days God heard their cries,
He rescued them from their oppressors,
God heard the cries of the Israelites and remembered,
The covenant He had made with the three Patriarchs,
God saw the burden and their heavy work in those days,
He determined to deliver the children of Israel,
And by His mighty hand He delivered them,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Holy

Jesus Christ is my King,

He is my Everlasting Champion,

God had pity on man and sent the Morning Star,
You cause me to be raised up from ignorance,
I am truly the image of a perfect God,
Holy are You, Holy are You, Holy are You,
O Father of all who truly exists,
Holy are You, Holy are You, Holy are You,
Commander in Chief, Man of Light,
Perfect God of beneficent works,
Live forever and ever,
Holy are You, Holy are You, Holy are You,
Commander in Chief of all,
Jesus Christ live forever and ever,
You alone are the infinite One,
Nothing can be hidden from You,
You are above every truth,
You are the origin of the Word,
I rejoice over my race and faith,
Bearing witness to the holy things of greatness,
That were revealed to me,
In my thoughts by the Will of the Almighty,
It is God Himself, who opened the eternal gates,
That were shut from the beginning,
To those who long for the best of life,
And those worthy of rest,

Blessings on the eyes that have seen You,
And the mind that has perceived Your majesty,
Blessings on those who guard themselves,
Against the heritage of death,
Eternal permanence of the begetting Father,
We worship You for Your goodness and kindness,
We know You; we have known You, Intellectual Light,
Life of our life, we have known You,
You who exists and pre-existed,
In the name exalted above every other name,
Through Jesus the anointed, Lord of lords, King of eternal realms,
I beg You through the preacher of the Gospel,
Redeem my enlightened soul forever,
Disclose to my mind the first-born of the fullness of grace,
My Redeemer; redeem me because I am Yours,
Never fear anyone or anything except God alone, the exalted One,
Accept the light for your eyes, cast darkness away from you,
Accept Christ; the true friend as your teacher,
Cast death away from you which has become a father to you,
Because death never existed in the beginning nor will it in the end,
But since you cast from yourself God,
The Holy Father, the true life and the spring of life,
You have obtained death as a father,
You acquired ignorance as a mother,

They have robbed you of the true knowledge,
Everyone proceeds deceitfully,
The whole earth is full of suffering and pain,
Entrust yourselves to God alone as a Father and Friend,
Be pleasing to God and you will never need anyone,
Live with Christ and He will save you,
Because He is the true Light and the Sun of Life,
As the sun is visible and makes light for the eyes of the flesh,
So Christ illuminates every mind and the heart,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Ennoia

Cease from thinking that God exists in a place,
If you localize the Lord of all in a place,
Then the place is more exalted than he who dwells in it,
It is never difficult to know the Creator but,
It is impossible to comprehend the likeness of the Eternal One,
You can never know God except through Christ,
With His power; He fills every place,
In exaltation of His divinity; nothing contains Him,

It is impossible to look at God as at the sun,
God sees everyone but no one sees Him,
Christ is the Light of the Father,
O soul, persistent one, on what ignorance do you exist,
He descended to the underworld,
Released the children of men from death,
Although He is God; He was found among men as a man,
He saved you and me from the hand of the underworld,
Christ is wisdom; He makes a foolish man wise,
The Wisdom of God became a type of fool for you,
So that He might take you up; O foolish man,
And make you a wise man,
The Life died for us when He was powerless,
So that through His death He might give life to us who are dead,
Never burn yourself; O wretched one,
With the fire of lust,
He who has exalted man became like God,
Not in order that He might bring God down to man,
But that man might become like God,
O this great goodness of God,
O Christ; King who has revealed to men His great divinity,
King of every virtue and King of life,
King of the ages and great One of the heavens,
Hear my words and forgive me,

O Lord Almighty how much glory can I give You,
No one has been able to glorify God adequately,
You gave glory to the Word in order to save everyone,
It is He, who has come from Your mouth,
And risen from Your heart,
O merciful God,
Fear God in all your acts; glorify Him through good works,
So this patient and long-suffering God,
Who bears with everyone and,
Who desires everyone who has,
Been made subject to sin repent and be saved,
He never need put any man to the test,
Because He knows all things before they happen,
He knows the hidden secrets of the heart,
Open the door of the heart that you may know who He is,
Knock on yourself that the Word may open for you,
He is the Ruler of faith and the Sharp Sword,
That which you open for yourself you will open,
That which you knock for yourself you will knock upon,
Therefore He is called God of gods and King of kings,
Father of all; Ennoia of the light,
Dwells in the heights above the regions below,
Light dwelling in the heights,
Voice of truth and the Ineffable voice,

The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Reason

He whom we serve in the Gospel of His Son,
Increase us an hundred fold,
Surely the all-merciful Savior never sent you for nothing,
The Lord whom you serve direct you in all your ways,
The Lord sits above the waters and remains King forever,
He shall preserve you from all evil,
And build you up in love,
Trials are blessings in disguise,
O let us work while the day is,
The night comes wherein no man can work,
With zeal for God; with love for souls,
Never swayed by dangers; nor labors then tired,
In distant countries proclaim the Word,
To multitudes and turn them to the Lord,
And in a moment soar to paradise,
Labor to steer your useful lives,
By reason and by grace,

See the Lord; your stand,
Omni presently near,
Lo; He holds you by the hand,
And banishes your fears,
O trust Him; love Him and praise Him,
Christ is ready to impart life to all,
In your mouth and heart; life sighs,
The Word is ever nigh,
They who feel less; certainly suffer less,
But the more we suffer; the more we improve,
The Lord reigns,
All things shall work together for the increase of His Kingdom,
I know He was angry with me till I believed,
In the Son of His Love,
Still the preaching of Christ will be,
Foolishness to the wise men of the world,
Let us hold fast in our hearts and understanding,
This is to us the Wisdom of God,
Grace is in all her steps; heaven in her eyes,
In all her gestures; sanctity and love,
Square your useful lives here on earth,
By reason and by grace,
Hunger and thirst after righteousness,
Till you are satisfied therewith,

I trust in my great Physician's skills,
What He prescribes can never be ill,
Lord I am Yours forever,
I desire to be Yours alone forever,
Never cast away your confidence in Him,
Which has great recompense of reward,
You have need to be guarded by steady and yet tender hands,
Be as a child; the Lord is at hand,
Glorify God with your body, soul and spirit,
Give Him the praise that is due to His name,
A taste of love can never suffice,
Your soul craves all His fullness,
You are called to fight a good fight of faith,
To lay hold of eternal life,
To trace His example,
The world to disdain,
And constantly trample,
On pleasures and sin,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Prize

Look onto Jesus and pressing on the mark,
To the prize of our high calling,
O run and never tire,
So shall your love and zeal always be a comfort,
We see the prize and the way to it,
God is love; he that dwells in love,
Dwells in God and God in him,
Eternal Father raised up the Light,
To vindicate eternal providence,
And justify the ways of God to men,
Redeem time; buy up every opportunity,
In the morning sow your seed,
In the evening slacken not your hand,
God will give the increase,
I determine to obey all your Will; Lord God,
Your blessings I restore,
Give, Lord, or take away Your gifts,
I praise You evermore,
Give your heart to Him, who alone is worthy,
O desire nothing different in nature than love,
There is no other in heaven or earth,
I want the witness; Lord,
That all I do is right,

According to Your will and word,
Well pleasing in Your sight,
I ask for no higher state,
Indulge me but in this,
Sooner or later, translate me,
To eternal bliss and ecstasy,
Stand fast in glorious liberty,
Till your spirit returns to God,
His manner and His time are best,
Repent and do your first works,
Never be content till you are truly a Christian,
Till your soul is all love,
Till you can rejoice evermore,
Pray without ceasing and,
In everything give thanks,
O let us be all alive to God,
And all athirst for His whole Image,
You were made a little lower than the angels,
That you may live forever with them,
You are come forth from God and are returning to Him,
As fast as a few fleeting years can carry you,
I need nothing beneath as well as above,
Happy, Happy inn your love,
O let my heart cry to Him,

What I know not; teach me O Lord,
Let me not die before I long to die,
Give me the wisdom that sits by Your throne,
Reject me not from among Your children,
Pray to the Lord of the harvest,
That He may send more laborers into His harvest,
Let us take care to lay up treasures in heaven,
Upon seeing an infant born in a stable; laid in a manger,
Beholding Him as a youth working with his father as a carpenter,
Who could have conceived that He was,
The manifestation of the deity in human form,
Before whom every knee should bow and,
Every tongue confess Him to be the Eternal,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Agape

I am Yours if You will never be ashamed to own me,
Because of my low and contemptible descent in the world,
Christ holds forth the glorious treasure of the Gospel,

In a poor earthly vessel which has neither,
The greatness nor wisdom of this world,
O Lord God have mercy upon me,
What shall I do if the day of judgement comes,
And I am not prepared?
A voice came: Repent,
Gather the tares and chaff; cast them into the burning furnace,
Gather My wheat into the garner,
The only Potentate; the King of kings,
Angels and men call Him Jehovah,
From Him life and glory always spring,
As for His wealth; He is the Heir of all,
what is in heaven; what is on earth is His,
O blessed Face and holy Grace,
Lord; fetch us to the goodly place,
Next to the Lamb we shall behold all saints,
With whitened robes rolled in glory,
Because they confessed Him while in the world,
Each walking in His righteousness,
With shining crowns of gold,
Triumphing in heavenly bliss,
Amazing to behold,
O blessed be God for grace,
Because then I hope that there is favor for me,

Behold the grace and wonder of God,
Praise the Lord; exalt God in His sanctuary,
Praise Him in the firmament of His power,
Praise Him for His mighty acts,
Praise Him according to His excellent greatness,
Understand love and you solve the riddle of existence,
Exalt love and you reach the heart of Yeshua,
Welcome love and you open your arms to the angels,
Live love and you win the hearts of men,
Deserve love and you feel the caress of the infinite Comforter,
Embody love and you know the utmost joy of the Creator of the world,
Trust love and you place your life,
In the keeping of the Omniscient One,
All the woes of this world,
Arise from repression and pervasion of love,
God is love; love is limitless as the Eternal One,
Love is more than affection; I love You God,
Life! Life! Eternal life,
There is an endless Kingdom to be inhabited,
Everlasting life is given to us that,
We may inhabit that Kingdom forever,
Our garments will make us shine,
Like the sun in the firmament of heaven,
No more crying nor sorrow because,

He that is the Owner of that place,
Shall wipe away all our tears,
We shall see the holy virgins with their harps,
We shall see martyrs, who were slain for their testimony,
And the love they bare for the Lord of that palace,
All well clothed with immortality as well as shiny garments,
Love covered a multitude of sins,
Love is long suffering in all things,
Love joined us to God,
Love does all things in concord,
Without love nothing is well pleasing to God,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Passion and Patience

Knock and it shall be opened unto you,
He that will enter in must first,
Stand outside knocking at the gate,
That is a knocker who wants to enter in
Because God can love him and forgive his sins,
May I now enter in? Will He within,

Open to sorry me; though I have been,
An undeserving rebel? Then I shall,
Never fail to sing His lasting praise on high,
Here is a poor burdened sinner,
I come from a city of destruction,
But am gone to Mount Zion,
That I may be delivered from the wrath to come,
An open door is set before you,
And no man can shut it,
There sat two little children; each one in his chair,
The name of the one Passion and the other Patience,
Passion was discontented but Patience was very quiet,
Their father would have him wait for his best things,
Till the beginning of next year but he wants all now,
Patience is willing to wait,
Passion finds a bag of treasures and rejoices,
He laughs at Patience to scorn,
Lo and behold he lavishes all and has nothing left but rags,
Passion is the man of this world,
Patience; the man of that world which is to come,
Passion will have all this year; this world,
They say a bird in hand is worth two in the bush,
Patience has the best wisdom because,
He waits for the best of things,

He will have the glory in His due time,
When the other has nothing but rags,
The glory of the next word will never wear out,
He that has his portion first,
Must need time to spend it,
He that has his portion last,
Must have it lastingly,
As it is written:
Son, remember in your lifetime you,
Received your good things and,
Likewise Lazarus evil things,
But now he is comforted and you are tormented,
The things which are seen are temporal,
The things which are not seen are eternal,
Cheer up; the comforter will always be with you,
To guide you in the way that leads to the holy city,
The sinner will say:
I laid the reins upon the neck of my lusts,
I have sinned against the Eternal Light,
And the goodness of God,
I grieved the Holy Spirit and He is gone,
I provoked God to anger and He has left me,
I hardened my stubborn heart,
The Son of the Blessed is very pitiful,

I have crucified Him to myself afresh,
I have done despite to the Spirit of grace,
Woe unto me! Woe unto me!
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Salvation

I saw that the highway which Christian was to go up,
Was fenced with a wall on either sides,
That wall is called Salvation,
The load on his back made him run with great difficulty,
He ran till he came to a place,
Where a cross stood upon a hill,
At the bottom there was a sepulcher,
When Christian came towards the cross,
His burden loosed from off his shoulders,
It tumbled till it came to the mouth of the sepulcher,
Where it fell in and I saw it no more,
Now he stood looking and weeping,
Behold; three shining Ones saluted him,
Peace be unto you,

The first said: Your sins are forgiven,
The second stripped him off his rags,
And clothed him with a change of raiment,
The third set a mark on his forehead,
He gave him a roll with a seal on it,
Which he bade him look on as he ran,
That he should give it at the celestial gate,
Old things are passed away,
Thus far I came laden with my sins,
Nor could I ease the grief I was in,
Till I came hither: What a place this is,
The burden fell off from my back,
The strings that bound it to me are crack,
The beginning of my bliss is here,
Blessed cross! Blessed sepulcher!
Blessed be the man that was put to shame for me,
This is the care and love of Jesus for pilgrims,
This He provides that I should be forgiven and dwell in heaven,
To Him let me give lasting praises,
Thank and bless His holy name always,
I walk in the strength of the Lord God,
Since I live; let Jesus wear the crown of glory,
O blessed servants,
Who when the Master comes He finds awake,

They watch at all times with sleepless eyes,
Because He shall surely come,
Make me rest from my troubles,
Holy Giver of manna; feed me with the Word,
King of all realms; I bless Your holy name,
Blessed be the mighty Lord of Sabaoth,
Though enraged He checks His wrath,
Because He promised no more floods,
Be brought upon men of evil souls,
In the abode of hades they shall all go,
O blessed be the souls of pious men,
When the Lord of Sabaoth gave a noble mind,
The earth shall perspire when,
There shall be the sign of judgement,
From heaven shall come,
The King of the ages who is to be present,
To judge all flesh and the whole world,
The trials that those men meet,
Who are obedient to the heavenly call,
Are manifold and suited to the flesh,
O let pilgrims be vigilant,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,

In that day shall the Lord be one,
And His name One.

My Savior

Glorify God the Almighty Father,
Who is blessed forever and ever,
Because a single cup of water,
If a man shall find it in the world to come,
Is greater and better than all the wealth of this world,
As much ground as one foot can occupy in the house of my Father,
Is greater and more excellent than all the riches of this world,
A single hour in the joyful dwelling of the pious,
Is more blessed and more precious,
Than a thousand years among sinners,
Let not the strong man glory in his strength,
Nor the rich man in his riches,
Let him who wishes to glory,
Glory in the Lord,
O God; author of all consolations,
God of all compassion,
Lord of the whole human race,
God of my soul, spirit and body,
When time draws nigh that I might leave this world,

Send me the great Michael; the prince of your holy angels,
Let him remain with me that my wretched soul,
May depart this afflicted body without trouble,
Let your holy angel be present to help my soul,
Let not the face of the angel,
Appointed guardian from the day of my birth,
Be turned away from me,
Let him accompany me in peace,
Until I come to You in bliss,
Do not expose me to condemnation,
Before Your terrible tribunal,
Because this I must pass through,
Before I see the glory of Your Godhead,
O most righteous Judge,
Who in justice and equity shall judge mankind,
And render to each according to his works,
Be present with me in Your compassion,
Enlighten my paths that I may come to You,
You are the fountain overflowing with good things,
Jesus of Nazareth, my Savior,
Jesus, the Deliverer of my soul,
Jesus, my protector,
Jesus, O sweet name in my mouth,
O eyes which see, O ears which hear,

I am Your servant, this day I humbly reverence You,
I am Your servant and the son of Your handmaiden,
You are my Lord, my God and my Savior,
The death of a pious man is not,
Death but life enduring to eternity,
O father of all mercy, listen to my song,
Send Michael, the prince of your angels and,
Gabriel, the herald of light and,
All the light of Your angels,
Let their array walk with my soul,
Until they shall have conducted me to You,
In the hour in which I have need of compassion,
As all the saints whether they be just or perverse,
Must of necessity taste of death,
On account of the transgression of Adam,
Trouble and violence of death has,
Descended upon the human race,
It is for this cause that I must die,
According to the flesh for My works,
Which I have created,
That they may obtain grace,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,

In that day shall the Lord be one,

And His name One.
